BEHR HELLA SERVICE

The Thermal Management Expert for passenger cars and trucks

With over 7,500 quality articles in over 20 product groups, Behr Hella Service offers unequalled market coverage. Our customers profit from the know-how of Behr and HELLA, and the high degree of service competence in supplying parts and providing technical information, training for both the independent aftermarket and independent garages, and also benefit from the sales promotion offered. For you, this means an ideal combination of products and competence: HELLA's global sales organization plus Behr's OE product know-how, as well as the linking of activities in the field of vehicle air conditioning and engine cooling.

In the first quarter 2017 Behr Hella Service has launched 61 new products.

**YOU GET
WHAT YOU SEE!**

A NEW PRODUCT MARKING FOR YOUR SUCCESS:

Our new branding concept now offers you even more transparency. A new marking system makes distinguishing and differentiating the approximate 4,500 articles making up the PREMIUM LINE and the around 3,000 Standard range child's play. The articles which were previously marked as an „Alternative Model“ now - just like those in the standard program - will be furnished with the Behr Hella Service logo and will not include any additional designation. This means that you will be able to recognise at a glance if it is a PREMIUM LINE product or a Standard one.

Detailed information can be found at www.behrhellaservice.com/premiumline.

Your advantages

- Unique quality distinction.**
Increased transparency through informative product marking.
- Increase customer satisfaction.**
With the unique product marking, you can be sure what is being delivered.
- You can profit with minimal effort.**
Article numbers, product quality, price level and service remain unchanged.
- You have the choice!**
In many cases, you will continue to have the choice between premium or standard products.

**BEHR HELLA SERVICE PREMIUM LINE –
The ideal solution for customers who expect the optimum.**
